

My Dear Students,

Hope you are staying safe at home during this lockdown. Please do not go out. Follow the guidelines given by the Government.

I am praying for all of you daily for your health and happiness. I know your parents have a tough time. They too are in my prayers. As the lockdown continues let's make our time useful and creative. Some common tasks are given here for all the students.

I urge you to do the following :

1. Do have a daily timetable and follow it strictly.
2. Start preparing a daily journal from 1st of May. You can use a dairy or A4 size sheets. Name the journal "Finding Me @ Lockdown". Use this journal to do the tasks you are given.
3. Write a page each (English & Hindi) everyday to improve your handwriting.
4. Learn at least 5 new words in English & Hindi and make sentences using the same. Write them down in your journal.
5. Write down a thought for the day (your own thought if possible) daily in your journal (class I & II students may learn one proverb daily and write it down in the journal).
6. Learn by heart a verse or two from the Holy Scripture (of your faith) on a daily basis.
7. Try to learn by heart and recite and video record a minimum of three poems in 10 days (poem in English & Hindi).
8. Try to make paper bags using old or new paper.
9. Try to grow minimum two types of vegetables at home.
10. Do some physical exercises daily to keep yourself fit both physically and mentally. Pray daily for the world.

These are to be done by every student from class I - X. Primary class students can take help from your parents. Class assignments are given separately. Please see and click on the assignments of respective classes. Entrusting you all to the providence of the Almighty God.
